April/May 2004

Mark Freshour,
Scoutmaster

Nick and Nate enjoying a relaxing moment at their February campout.

Look at that freshly painted trailer! Mr. Behrens, Mr. Pittas, Mr. Freshour and Mr. Storter were busy emptying the contents of the trailer, painting the inside, and replacing all the items while the boys launched rockets.

Pancake Breakfast

Our Pancake Breakfast was a success! Thanks to all who came and enjoyed breakfast with us on Sunday, March 14

Glenn's Eagle Project

Glenn asked for permission and placed boxes for collecting school supplies at local schools and businesses. He included a list of items most needed. His benefactors were the children in grades K-8 at Holy Family Lutheran School in Chicago. They were very grateful to Glenn and to all of you who helped by contributing via the St. Matthew collection box.

Thanks!
