February 10 – 12 Cabin/Cold Weather Campout

This cabin looks pretty cozy, doesn't it? A great time was had by all during the Cold Weather Cabin ampout held at Three Fires Council Scout Ranch. The boys built a climbing tower. Beginning with this one and at most camp outs, the boys will be required to prepare one dinner and one dessert in a Dutch oven, usually on Saturday evenings. The boys did an excellent job according to taste tester Mr. Pittas. Look at the lovely cuisine below! The boys on the trip included: Garret,
